RE: Annual Performance Report Granular Activated Carbon Treatment
System for 2009 and Annual Progress Report for 2009
Reilly Tar & Chemical Superfund Site, St. Louis Park, Minnesota

Dear Mr. Harmening and Mr. Jones:

The Minnesota Pollution Control Agency (MPCA) and the United States Environmental Protection Agency (EPA) received the "Annual Performance Report Granular Activated Carbon Treatment System for 2009" submitted pursuant to Section 4.3.5 of the Consent Decree Remedial Action Plan and the "Annual Progress Report for 2009" submitted pursuant to Part K of the Consent Decree. Staff from the agencies have reviewed these reports and determined they are acceptable to MPCA and EPA.

If you have any questions in this matter feel free to call Nile Fellows at (651) 757-2352 or Matt Ohl at (312) 886-4442.

Sincerely,

A handwritten signature in cursive script, reading "Matthew J. Ohl for".

Nile Fellows, Project Leader
Superfund Unit 1
Superfund and Emergency Response Section
Remediation Division
Minnesota Pollution Control Agency
